

## BERKHAMSTED DENTAL PRACTICE NEWSLETTER

ISSUE 2 DECEMBER 2002

Season's greetings and welcome to our second annual newsletter. Thank you for all your continuing support which has helped to make our second year a continuing success. In particular the "word of mouth" continues to spread and we really appreciate it when you recommend us to your family, friends and neighbours.

On the subject of "word of mouth" we have a wide range of patient information leaflets available at reception, some of which are in-house publications. The leaflets cover a variety of topics from caring for baby's teeth, through tooth whitening, to information about dentures. Please help yourself to any of the leaflets. If you would like any more information on any of the topics covered or have any suggestions for other topics that you wish to learn more about please let us know.

Don't forget you can also access information about dental treatments on our website [www.berkhamsteddental.com](http://www.berkhamsteddental.com).

HYGIENIST Jane Shrowder was new to the team in 2001. Jane has settled in extremely well and we are pleased to say that she will now be offering hygienist appointments on **SATURDAY MORNINGS** from the beginning of the New Year.

OUR TEAM continues to grow and we are delighted to welcome on board experienced Dental Surgery Assistant Sara Twyman. Sara will be working with Claire on Tuesdays and Thursdays

March may seem a long time ago but John's memories of the blisters are still fresh! Thank you to everyone who sponsored John's entry in the Berkhamsted Half Marathon. He did it and thanks to you all for raising over £500 for Leukaemia Research. Obviously a glutton for punishment, John has now applied for a place in the London Marathon for 2003 so watch this space!

OUR E-MAIL ADDRESS has now changed to [info@berkhamsteddental.com](mailto:info@berkhamsteddental.com). You can still contact us by phone on 01442 865646 or by fax on 01442 865446.

**Best wishes for a Merry Christmas and a Happy New Year  
from  
John O'Grady, Claire Rogers and all the team at Berkhamsted Dental  
Practice.**
