BERKHAMSTED DENTAL PRACTICE NEWSLETTER

ISSUE 4 December 2004

Seasons greetings from all of us at Berkhamsted Dental Practice. We hope you like the Christmas card and thought you'd like to know what we've been up to.

New arrivals this year are Dental hygienist Rosalind Wheeler and Fran Allen who joins Pam Swatman at reception.

We appreciate that demand for Hygienist appointments has meant difficulties in offering convenient appointment times. Rosalind will be available for Hygienist treatment on Mondays whilst Estelle & Jane continue to offer appointments on Tuesdays, Wednesdays, Thursdays & Saturday mornings

Fran Allen joins reception.

John O'Grady completed this year's Flora London Marathon, half an hour faster than last year, in 3hrs 17mins. More impressively we raised even more for The Iain Rennie Hospice at Home – over £2,000. Very many thanks to you all for your generous support.

Not to be outdone Claire Rogers is entering next year's London to Brighton Bike Ride. And the whole team plan to compete in next years Flora 10 Kilometre Run.

In line with best practice, our whole team take part in regular training and continuing professional development. Here we are practicing our resuscitation skills.

Our aim is to provide a high quality service and the best possible dental care. If there are any services or treatment that you would like to see introduced we welcome suggestions.

Please let any of the team know or e mail us at

info@berkhamsteddental.com

If you want to find out more about the services and treatments we already offer please visit our website at:
www.berkhamsteddental.com

Best wishes for a Merry Christmas and a Happy New Year
from

John O'Grady, Claire Rogers, Tim Friel, Giles Kidner
and all the team at Berkhamsted Dental Practice
