

BERKHAMSTED DENTAL PRACTICE
Caring for your family's teeth

Issue 12 December 2012

What a year 2012 was! The Queen's Jubilee, the Olympics & Paralympics, "Wiggo" winning the Tour de France & Andy Murray winning the US Open. Claire took part in the summer of sport, providing dental cover for the Paralympics. Dentistry turned out to be one of the busiest support services at the Paralympics and she had a busy time in the Olympic village.

Congratulations to Dental Nurse Natalie who announced her engagement earlier this year. We wish her and fiancée John the very best for their forthcoming marriage. In February we welcomed back Hygienist and Dental Therapist Carly from her travels. Carly is at the practice on Thursday mornings & Saturday mornings.

Christmas day falls on a Tuesday this year. The practice will close in the afternoon on Christmas Eve and re-open at 9am on Thursday 28th December. If you should experience a dental emergency over the holiday period please phone the practice on 01442 865646. Our answer phone will give details of how you can contact the Hertfordshire Out Of Hours Dental Service for advice.

The biggest compliment you can pay us is to recommend your friends and family. We are always delighted when we receive referrals from our patients. This means a great deal to us as it shows you are happy with your dental care and are pleased to pass on this news to your family and friends. This is how our practice has grown and will continue to do so with your help. Remember, smile. It's infectious.....

We've been brightening up the appearance of our reception area - we hope you agree it looks fresher? If you have any suggestions for other improvements or any other feedback please let us know - we have a suggestion box and feedback forms at reception, or visit our website: www.berkhamsteddental.com or use our QR code.

Do you want to brush up on your smile? If so we are here to help. Let any of our practice team know what you'd like to change and we'll see what we can do - from tooth cleaning & tooth whitening to make things brighter, orthodontic treatment to straighten teeth and bonding or veneers to improve tooth shape.

To help brighten up your smile in the New Year we're offering 10% off on all our toothbrushes and oral hygiene aids during January and February 2013 with this voucher!

Best Wishes for Christmas and the New Year
from all of us at
