

BERKHAMSTED DENTAL PRACTICE
Caring for your family's teeth

NEWSLETTER ISSUE 6 DECEMBER 2006

Seasons greetings from all of us at Berkhamsted Dental Practice.

We hope you like this year's Christmas card – time for a change from the cartoon caricatures! As always there's plenty of news to share with you:

NEW TEAM MEMBER

Sue Benton joined us as a Dental surgery assistant in September as we said goodbye to Sylvia who has moved on to work in the Department of Oral Surgery & Orthodontics at Watford General Hospital.

We welcomed Hygienist Estelle Elias back from maternity leave in February. Her Daughter Eleanor is one year old now. Along with her brother Ben they keep Estelle busy busy busy but she is still available for appointments on Tuesdays! Jane is available for appointments on Mondays, Wednesdays, Thursdays and some Fridays and Saturdays. Our Hygienists are a key part of the preventative programme we offer- helping our patients maintain clean and healthy mouths. As the ever increasing number of TV lifestyle shows reveal a healthy mouth is an important part of all round general health.

MARATHON WOMAN

Claire completed a marathon sponsored walk along the Grand Union Canal in June. A big thank you to everyone who helped her raise over £300 for the St Francis Hospice. Despite it being one of the hottest days of the summer Claire completed the 26.2 miles in a blistering pace. She's obviously got the bug as she's gone onto secure a place to run the London Marathon in 2007!

SUGGESTIONS PLEASE!

We are always keen to improve the service we offer and the quality of the experience our patients receive when they visit Berkhamsted Dental Practice. Whether its new treatments or just new, more colourful uniforms, we're always looking to develop. At your next visit you'll see we've introduced a "Suggestions Box" at reception. Please feel free to make any suggestions or comments – or just speak to one of our team!

Best wishes for a Merry Christmas and a Happy New Year

From

John O'Grady, Claire Rogers and all the team at Berkhamsted Dental Practice
